

CONFIDENCE GROUP, by virtue of its entrepreneurial skills, innovative strategies and seamless execution, is emerging as one of the fastest growing and leading private sector organization in India. Not only this, Confidence has spread its wings overseas also. The Group has well diversified business activities with significant presence in the LPG sector. Keeping pace with Nation's energy requirements, the company is constantly fueling its growth and has emerged as India's leading LPG Bottler & largest LPG Cylinder manufacturing company. The allied activities include LPG Marketing, Auto LPG, CNG/High Pressure Cylinders & LPG Blending. Confidence Group is a thorough professionally managed organization and takes immense pride in its highly committed, dedicated and dynamic workforce, who with their varied potentials set to chart out new avenues by converting Dreams of the company into Realities. The GROUP has emerged as a leader in the LPG Sector by setting up new landmarks in the industry. We at Confidence are committed towards nation building by serving the masses. Our endeavor is to create value for the society at large.

Pollution has become a matter of great concern and vehicular pollution had multiplied it. Auto LPG, the cleaner fuel comes with advantage of cost benefit and ready availability.

Our Vision "To Make India A Pollution Free Country And To Serve The Mankind By Providing Energy Sources At An Economical Price". We at Confidence are committed to translate our vision in to action.

OUR MOTTO SERVICE TO NATION & WELFARE OF SOCIETY
