SUB: "COMMISSIONED 5 NEW CNG STATIONS IN THE CITY OF BANGALORE, RAISING THE TOTAL NUMBER FROM 45 TO 50."

We are delighted to announce the commissioning of Five new CNG stations in Bangalore, further advancing our mission to support the city's transformation into a cleaner, greener urban space. This initiative is part of CPIL's ongoing collaboration with GAIL, aimed at promoting sustainable mobility solutions across the region.

With these additions, CPIL has now successfully established 50 CNG stations in Bangalore—halfway toward our target of 100 stations. By setting ambitious goals and consistently delivering on them, CPIL continues to drive the city's shift toward cleaner fuel alternatives, drawing inspiration from the success stories of metropolitan cities like Delhi and Mumbai. Our efforts are not only contributing to reduced vehicular emissions but also setting new benchmarks for the industry in sustainable urban development.

This is for your information and record.

Thanking you
For Confidence Petroleum India Limited
